

Vacancies exist in the Black Rock-area (about 80 Km from both Kuruman & Kathu) for the following positions:

Grade A Supervisor: Mining Security

Previous supervisory experience is required, whilst experience within the Mining-sector would be advantageous - minimum requirements include: Grade A PSIRA accreditation, driver's license.

Grade B Reaction Officers

Previous Reaction Officer's experience within the Mining-sector would be advantageous, but it is not prerequisite - minimum requirements include: Grade B PSIRA accreditation, Fire-arm competency or Reaction Officer Course, driver's license.

Grade B Driver

Previous driving experience is prerequisite - minimum requirements include: Grade B PSIRA accreditation, Code 10 (C1) driver's license and PDP.

Grade C Security Officers

Experience in the mining environment would be advantageous.

General

- CV's have to be accompanied by the necessary academic qualifications & competency certificates whilst candidates need to have no criminal record;
- All above positions are subject to having successfully undergone a strict medical- and driving assessment (where applicable) and shift-work;
- Remuneration will be discussed with the candidates during the selection and recruitment interviews, but benefits include: Provident Fund, monthly Performance Bonus, superior uniforms & enhanced PPE features, shared accommodation (free of charge), food allowance (limited) & transport between workplace & place of accommodation.

Please, clearly mark the application for the position applied for e.g. Supervisor, Reaction Officer, etc.

Closing date: **Friday 05 March 2021**

Applications can be sent to: Adriette.Venter@assmang.co.za
